Integrity - What does it mean to have integrity: the quality of being honest and having strong moral principles; moral uprightness. The hallmark of a person who demonstrates sound moral and ethical principles at **school**. ... honesty and trust are central to **integrity**. Acting with honor and truthfulness are also basic tenets in a person with **integrity**. The right to personal integrity may be described as the right to be treated in a human manner and in such a way that preserves a person's mental and physical "wholeness." In other words, we all have the right not to be physically or mentally harmed by the State or any person. There have been cases in our school during the 2018-2019 year that students have purposefully violated the integrity what the school teaches. *Evangel Academy provides a quality Christian Education for grades K5 - 12. Since being established in 1978, it has trained hundreds of young people in the highest principles of Christian leadership, personal integrity and good citizenship.* We are "preaching" (as teachers in the school of) the Word, ... in season and out of season" [see 2 Tim. 4:2] and as we "preach" as an act of obedience to the Word. We love all of are students, parents and our staff and want the best of God has for us.

SAT and SAT Subject Tests: Evangel Academy encourages post-secondary education beyond high school through college. A SAT (Scholastic Aptitude Test or other names) is typically taken by high

school juniors and seniors for academic success in college. The SAT is an entrance exam used by most colleges and universities to make admissions decisions. ... one purpose of the SAT is to measure a high school student's readiness for college... You may see the bulletin about www.sat.org for more information.

Reminder - Supplies: Now that the school year is half over, many of the supplies that students brought from the beginning of the year have been depleted. Please make sure your child/children have pencils, tissues, hand sanitizer and other items for their personal use.
