

Kindergarten & Elementary

5 YEAR-OLD KINDERGARTEN

Our kindergarten program is designed to develop the student's mastery of phonetic skills through the use of the ABC'S of A.C.E. Learning to Read program.

The ABC'S of A.C.E. Learning to Read program utilizes reading tools: a specially developed alphabet sequence, songs for each of the sounds, poems, displays and incorporates physical activities in the learning experience.

Enrollment - Students applying for admission in the kindergarten program must complete the ABC'S of A.C.E. Reading Readiness Test with a minimum score of 80.00%.

Elementary

A Ministry to Children

Evangel Academy provides an environment in which children can learn and grow mentally, physically and spiritually. Our education program is viewed as a daily ministry to children in their formative years.

Curriculum

The elementary grades of Evangel Academy uses the School of Tomorrow (Accelerated Christian Education) PACE curriculum. These P.A.C.E.'s are filled with colorful and exciting learning activities as well as Scriptural principles.

Curriculum Enhancement

Along with already exciting core curriculum of the School of Tomorrow program, there are other exciting subjects to enhance and broaden the student's learning experience, such as: Creative Writing, Animal Science, Bible Reading and Literature.
